

Youth Business & Entrepreneurship Support Platform

Idea Competition Guide

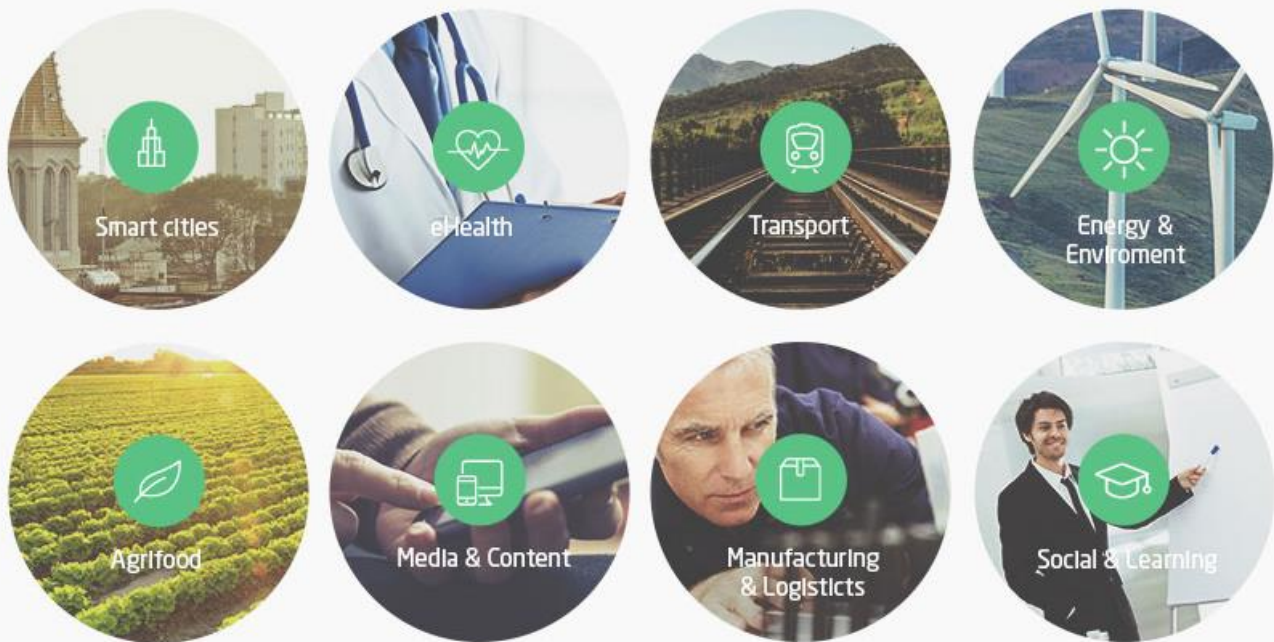

May 2015

Competition Requirements

1. The competition is open for everybody without any restrictions. Participants can be individuals, teams, formed companies etc.
2. The participants need to register to YuBiz platform (www.yubiz.org) and upload their idea description document.

Competition Analysis

1. The ideas/products/services need to be within the context of the following categories/thematics.

2. The participants can download the registration form (MS Word document) from www.yubiz.org and fill in all the required details.
3. When finished, the form must be transformed to pdf and uploaded again at www.yubiz.org.
4. All the required links for downloading and uploading the required files are at the top menu under the **Competition** Menu Item.

The Evaluation Process

After the completion of the ideas registration process, all the applications will be evaluated by an evaluation committee. The composition of the committee will be announced on www.yubiz.org. The first 5 applications with the best evaluation grade will be asked to perform a pitch to the evaluation committee which will then conclude to the first 3 winners.

Prizes
